Chapter 9-

"The Valley of the Legend" ✓ ✓

✓ Story by Philip Barry. ✓ ✓

The paper says the land was given by a grant from the King of Spain, and anyone buying it would not have a clear title to it if the grant were found. This was stolen years ago, and proof that the Morell girls are descendants of the original owner was stolen from O'Day's safe. The mysterious Mexican is sought for information, but he refuses any. Venable threatens to kill him unless he'll speak, but Jean intervenes. She and Venable disappear on the very spot where O'Day so mysteriously vanished.
